ABOUT THE COMPANY

Our Story

Straw is a newly formed service company which provides 360 degree branding solution for your company. We have been in this industry since 2018. We do every kind of branding solution what you need to promote your brand.

We aim to be the preferred provider of cutting edge solutions. We are firm in our conviction not to compromise on the quality of the services provided to the clientele. We believe in keeping the clients content by providing them with the suitable and appropriate communication solution tailored as per their target customers and we do offer a very competent price for the services rendered.

We have a compact team of excellent staffs who will guide you with their best ideas by keeping in constant touch with your company.

Why Choose Us?

RELATIONSHIPS

Straw is a destination for brands and talents from around the world. We've been putting on Branding Solution here for several years, and in that time have developed relationships with the best local talents in every category. You know you're getting the best of the best when you work with us.

CONVENIENCE

Because we handle everything from concept to production to clean-up, you save precious hours of your time (and undue stress) when we put on your event.

COMMUNICATION

Each of our clients is assigned with an Event Manager, who is responsible for working with you throughout the process and keeping you updated at every step.

TECHNOLOGY

We've invested in cutting edge audiovisual equipment and technology to create true 21st century experiences.

An aerial photograph of a city, likely London, showing a river (the River Thames) winding through the urban landscape. The image is overlaid with a semi-transparent yellow filter. A white rectangular box is positioned on the right side of the image, containing the text "Our Services" in a bold, white, serif font.

Billboards & Posters

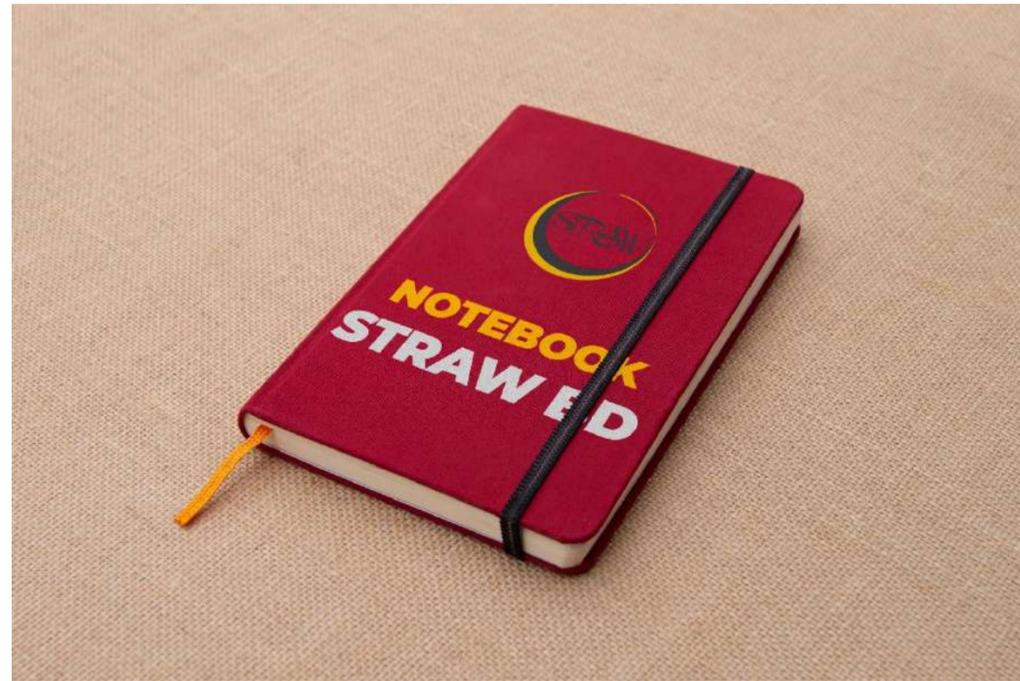

Billboard advertising is effective for building brand awareness and broadcasting your business (or product or campaign) to as many people as possible. Because they're in such busy areas, **billboards** tend to have the highest number of views and impressions when compared to other marketing methods.
